BENT'S OPERA HOUSE, MEDINA, TOWN OF RIDGEWAY, ORLEANS CO. NY

The Orleans Renaissance Group, Inc. is proud to undertake the [Bent's Opera House Restoration Project](#) in the Downtown Historic District of Medina, NY! In 2008, ORG acquired this architectural jewel—a 19th century bustling center for the arts—and since then, has been busily developing a phased restoration plan.

Phase I: The Roof. The roof trusses are nearly 150 years old, with some supported by vertical steel due to water damage. Architects, engineers and the creative minds of ORG members are working to assess the needs and determine the cost of roof renovation. Subsequently, ORG is actively pursuing a variety of funding sources. It is the first step in preserving this historically significant structure!
